Who should apply?

The courses offered by LazosLearning Association are intended for individuals concerned with the transformation of society who want to participate more effectively in activities that contribute to positive change. These people live in all parts of the world, and work in a diversity of fields including development and education. They share a common commitment to the advancement of systems and processes that will contribute to the construction of a new civilization. They take action in these areas, and participate in ongoing dialogue with like-minded individuals about these themes - refining and improving what they do through acting and reflection on action.

Application: If you are interested in applying to one of the courses offered by LazosLearning, we invite you to download and complete the appropriate course application form and send it to [info@lazoslearning.org](mailto:info@lazoslearning.org).
